Muhamed Sacirbegovic
Bosnian ambassador to the UN
and
Minister of Foreign Affaires

International Warrant Issued against Muhamed Sacirbegovic

There is still no official confirmation on whether an international warrant has been issued against the former Chief of the BH Mission to the UN, Muhamed Sacirbegovic. The Cantonal Court in Sarajevo requests Sacirbegovic's arrest due to a grounded suspicion that he caused the damage to the BH Mission in total amount of 2.5 million dollars. Two things are certain -first, the warrant has been issued within European countries, and, after additional verifications, the warrant would be valid even out of Europe, and second, after the request of the Cantonal Court, the INTERPOL should automatically issue a warrant. Muhamed Sacirbegovic, besides a Bosnian citizenship, has a U.S. citizenship as well, and that could create an additional problem in the request for his extradition. -mm

Arrest Warrants for Sacirbegovic

The FBH Ministry of Internal Affairs requested from Interpol to issue an international arrest warrant for the former BH Minister of Foreign Affairs and BH Ambassador to UN, Muhamed Sacirbegovic, due to embezzlement. Sacirbegovic is suspected of embezzlement of \$610,000 during 2000, which was supposed to be given to the BH Mission in the UN. Sacirbegovic is thought to have misused more than \$2.5 million during his mandate. He was dismissed from his Ambassador's position in December 2000, but, allegedly, still lives in U.S.A. During his recent interview for the Washington Post, Sacirbegovic denied allegations from Sarajevo, explaining the financial confusion as a result of "war and post-war administrative chaos". -alm (UNK)

Ivica Misic

- UN DPR - ambassador of Bosnia to the UN
- Charge O' Affaires of Bosnia to the UN
- Deputy Minister of Foreign Affairs
- National Coordinator of Anti-terrorist team

1992 -1996 -Deputy Permanent Representative of Bosnia and Herzegovina to the UN, in ambassador rank
1994 -1995 -Charge O' Affaires of PR of B&H to the UN
1993 -1996 -General Consul of B&H in New York

The essential case of connection of Ivica Misic with fundamentalists and terrorists and secret she has is "case Safet Catovic". This man was appointed to mission in rank of Minister Counsellor until June 2001 when I signed him out together with eight persons more. It is questions, who were those eight persons, what did they do in Mission and at whose behest. However, Catovic as Moslem could never have been on position of Minister Counsellor (under rule of MUP) because those two positions had been reserved only for persons of Serbian or Croatian nationality. Even he was signed out he never returned his UN badge so he could come in UN building even today. Safet Catovic was on salary and insurance until December 2001 and all by knowledge and support of Ivica Misic. In August 2001, Safet Catovic organised "Summer Jihad Camp" in Pennsylvania on spot where one airplane crashed on 11 September 2001. In addition, FBI had brought this man under suspicion he was involved in several "humanitarian organisations" that propagated and supported terrorism. It was about "The Global Relief Foundation in Bridgeview and The Benevolence International"

As regular units of 2. corp of so called Army of BiH were, also units composed with Islamic fundamentalist Jihad warriors from Iran, Pakistan, Saudi Arabia and other Islamic countries. Mirza Kusljagic
Bosnian ambassador to the UN
Member of Military Presidency
of city of Tuzla during the War

As a member of Military Presidency SDP Tuzla and member of Military Presidency of city of Tuzla Mirza Kusljagic contributed with his treatments and actions to ethnical cleaning of Serbs and other unmoslem population on Tuzla region. Number of Serbian citizens depopulates from 22,000 in 1991 to 2000 in 1995. In goal of genocide and ethnical cleaning of Serbs and other unmoslem population, he participated in making decision on prohibition of Serb return in Tuzla 1992. Mirza Kusljagic, together with other members of military presidency of city of Tuzla issued orders and supported illegal mobilisation of Serbs, even lots of them were military incompetent-ill, some of them were on important scientific positions or experts and on such way they completely changed structure in government. During 1992 and 1994 Mirza Kusljagic supported arrests and dismissals from a job of prestigious Serbs and did not take them under his protection. As member of military presidency Mirza Kusljagic had participated planning of attack on JNA convoy that was according to an agreement leave Tuzla peacefully on 15 May 1992. On that occasion more than 200 officers and privates of former JNA were massacred. During war, Mirza Kusljagic had directly cooperated with representatives of TWRA from Vienna whose non-democratic, Islamic, military and intelligence role was well known in the world. In that sense Mirza Kusljagic was engaged for placement of misinformation and spreading fake picture about civil war in Bosnia and Herzegovina. As member of military headquarters Mirza Kusljagic is responsible for crimes committed by units in which complement were mujahedeens -Islamic fundamentalists, warrior of Jihad.
